At certain times of the year Bradley's FunTime and Bradley's Bear Club activities may be combined. It is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions. See individual Park pages for details.

## T-Co (12-16+)

With their own dedicated leader, T-Co operates on selected Parks from May to August. The activity programme is more limited outside the main school holiday period.

## Your responsibility

Please note: Children remain the responsibility of their parents or guardians at all times, as they do at any of our activities or facilities. The Club activities form part of our entertainment programme, and we will not provide supervision of the children during the session and this is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions.

It is important that you always know where your children are and that you know the times that the activities start and finish.

It is particularly important that you make sure that your children understand that they should always obey the instructions from the T-Co leaders, Sports Instructors/Co-ordinators and Lifeguards, so that the possibility of accidents can be reduced.

## Please take care

Please treat the property, facilities and accommodation at your Park with respect and care so other guests may continue to enjoy them. In the event that you notice damage to any facility or in your accommodation please report it to Reception immediately so that we can take the appropriate action.

Accommodation will be inspected at the end of the holiday and you may be charged for any loss or damage found. We reserve the right to enter accommodation under any circumstances or emergency.

For the convenience of all our guests ball games are not permitted in the areas between and around the accommodation.

## Licensing laws

In accordance with the Licensing laws, we can only sell alcohol to persons aged 18 or over. We can make arrangements for you to collect your keys. Collecting keys at the Park is previously notified, you must claim your accommodation by 8 am on the day after your holiday was due to start, otherwise we will treat your booking as cancelled.

## Use of your holiday home

Only those people listed on the booking can occupy your accommodation and use the facilities of the Park. If this legal requirement is not met, your booking will be terminated and you will be asked to leave, with no refund made.

## Unreasonable behaviour

For the convenience of our guests, we reserve the right to terminate a holiday without compensation, where the unreasonable behaviour of the persons named on the booking or their guests might impair the enjoyment, comfort or health of other guests.

## Infectious diseases

Infectious or contagious diseases could easily be passed to other guests whilst on holiday. You must inform the Duty Manager should you contract any such illness whilst on holiday in order to protect our guests and hosts, anyone found to have such a condition may be confined or requested to leave the Park. Please note that in such circumstances we are unable to offer refunds and we therefore recommend you take out personal insurance.

## Calculating your holiday cost

The price grid on the individual Park pages show the "accommodation" element only for the holiday. The FunWorks passes element should be added accordingly to your party make up to the order to arrive at your total holiday cost for the holiday date and accommodation chosen.

## All other supplements

Supplements for Cats, Bradley Caravans, pets etc. should be added to these costs. Please also note other supplements such as Cancellation charges, Pet Insurance and Personal Insurance cover, must also be added and are strongly recommended to give you peace of mind.

## Holiday prices

The prices and charges in our brochures or in these booking conditions are inclusive of VAT (where applicable). We guarantee once you have made your booking and paid a deposit we will not increase your holiday price unless you make a change to your booking, otherwise we reserve the right to increase the VAT element of prices in the event of a change in the rate of VAT. Brochure prices shown are subject to change.

Certain caravans are not owned by us but are managed and let by us to holidaymakers on behalf of their owners who may not be registered for VAT. Where this is the case, the holiday price is not subject to VAT but includes an additional handling fee of 17.5% (inc. of VAT) so the final price for similar accommodation is identical.

## Your holiday balance payment

Payments are deducted from the full amount due. Bookings made within 8 weeks of the holiday start date must be paid in full. Full holiday payment for your holiday payment is no later than 8 weeks before the start of your holiday. The balance due will be shown on our confirmation. Please note: balance reminders will not be sent. Please keep your final confirmation as you must present this on arrival at your holiday Park. If the balance is not received by the due date then your holiday will be treated as cancelled.

## Payment for your holiday and cancellation plan

Payments can be made in full or by deposit to secure your holiday booking. It is a condition of booking your holiday that you can either take out our Cancellation Plan which covers you and your holiday party if you cancel your holiday or a plan giving comparable cover. Our Cancellation Plan will be automatically added to your booking and costs £22 per full week, or £11 per short break, per accommodation unit booked. If you do not wish to take our Cancellation Plan the charge will be waived upon production of a certificate of alternative cover, giving comparable cover. This certificate must be provided within 7 days of your receipt of our booking confirmation. Any cancellation charge that is not in writing to us and any claim needs to go through your alternative cover.

## Special and promotional offers

All offers are subject to availability and must be obtained by following specific offer terms and conditions. Offers cannot be obtained prior to, or following, the promotional period, in the majority of cases, only one offer will apply and offers may be withdrawn at any time.

## Availability of facilities

The price grids on individual Park pages show the dates on which the Park is open. Please note that at Parks with more than one accommodation venue, at certain times of the season, entertainment may only be provided in one venue, in order to ensure everyone's enjoyment.

At selected Parks during these early and late periods entertainment is provided at weekends only, although our bars will be open for your enjoyment during the week. Certain facilities may also have limited and/or age restrictions. Please check the time of booking. To ensure our guests enjoyment in the indoor and outdoor pools, session bathing may occur.

The operation of our Parks is subject to legislation and the guidelines laid down by the Health & Safety Executive and Local Authorities and their codes of practice. We accordingly reserve the right to adjust our services in order to meet these standards.

It is possible that in some circumstances accommodation, entertainment, sports activities or a facility may be temporarily withdrawn, due to maintenance, restoration, adverse weather conditions, changes in governmental legislation, or any other factor outside our control.

We reserve the right to make such alterations in the above circumstances without prior notice, and are unable to accept liability for the loss of an advertised facility or to pay compensation for any inconvenience caused.

Should changes occur, we will advise of these changes where made prior to booking, and will make reasonable endeavours to advise guests already booked of any changes made thereafter.

Certain facilities are subject to an additional cost. Please note that peak facilities may be reduced or restricted. Facilities at the Park may be subject to a refundable booking deposit. You are welcome to use your own sports equipment, but equipment can be hired from the Park at a nominal charge. Parks which lack fishing as a facility require a rod licence, and additional charges where applicable.

## Venues

Due to space restrictions and licensing laws some facilities have age restrictions covering certain times of any of our activities or facilities. The Club activities form part of our entertainment programme, and we will not provide supervision of the children during the session and this is not a child minding facility and parents are required to remain and supervise their children at all times throughout the activity sessions.

## FunWorks Passes

FunWorks Passes are registered at the Club in the Park. If you wish to join, it is to your advantage to pay for your passes in advance as passes paid in advance are at a cheaper per person than passes paid for on arrival. The prices of passes paid in advance are indicated with the current 2004 British Holidays brochures for each particular Park. Provided you have paid for your passes in full before the start of your holiday, you can collect your passes from Reception on arrival. Your FunWorks pass entitles you to use the swimming pools, participate in the Children's Clubs together with the use of the leisure/entertainment facilities and casual fishing lakes. Paid FunWorks passes for Spring and Autumn include outdoor entertainment and restricted facilities and are therefore offered at a reduced rate. Please note that the Local Club Licensing Laws are such that members names and addresses must be registered in a minimum of 48 hours in advance. If FunWorks passes are lost, it will be necessary to charge for replacements at the Park. The cost of individual passes may vary from Park to Park. Please check at Reception.
